NO SHOW POLICY

Elite Dentistry values you as our patient. We try very hard to maintain our schedule so that all our patients can be treated promptly. Needless to say, canceling with short notice, showing up late, or simply not showing up is very disruptive for our schedule and unfair for our other patients who value prompt treatment.

If you miss (2) two scheduled appointments you will be charged a “Failed Appointment Fee”. This fee will range from \$25 to \$75 depending on the scheduled time and service in which you are failing to show up for.

If you miss (3) three scheduled appointments within a 12 month period, we will regretfully have to dismiss you as a patient from the practice. We request patients to cancel appointments within 24 hours of a scheduled visit.
